

SUNOCO SOLNUS AC COMPRESSOR OILS

OVERVIEW

SOLNUS AC COMPRESSOR OIL series are highly refined, naphthenic oils designed for use in refrigeration units. These oils are characterized by outstanding solvency and are inherently resistant to carbon build up.

FEATURES & BENEFITS

SOLNUS AC COMPRESSOR OIL series oils have excellent low temperature properties for quick circulation and flow characteristics. They provide component protection in refrigeration applications.

APPLICATIONS

Refrigeration compressor units.

TYPICAL PROPERTIES

Product Code	TBD	TBD	TBD
ISO Viscosity Grade	46	68	100
Gravity, API	23.9	23	22.1
Pour Point, ° F	-25	-15	-5
Flash Point, ° F	350	375	420
Viscosity, cSt @ 40° C	45.2	58.7	96.2
Zinc, %wt	.042	.042	.042
